The Parks and Events shirts were passed out to committee members. Athletic House donated the shirts done in white embroidery that were unsatisfactory. They will be used as needed when additional members join the committee.

Frank reported on contact with Ann Gruber of CC Rec. re: a water trail from CC to Sykesville on the Patapsco River; and the theater building at Warfield.

Chris S. researched cushion purchases for resale. Tabled for this year. It didn't seem like a good seller because of competition with Century high school selling cushions with their logo. Also tabled are megaphone sales. Possible to sell some type of plastic cup or have a sponsor's name on bags. Tabled until next year.

Chris S. met with Chief Williams about Aug 5th's National Night Out Against Crime. She only needs 5 youth volunteers. A poster for that night will go into Snack Shack. P&E will only be responsible for the snack shack. Frank suggested having a volunteer at the Gatehouse.

The YE revenue & expenses were reviewed pending adjustments by the auditors. It was suggested that a few of the committee meet with Matt Candland or Scott Sanzone for clarification of revenue sources.

Susan reviewed the volunteer accident insurance policy & liability release forms.

Organization for Family Fun Day was discussed.

Meeting adjourned.
