Ivy Wells, Member at Large

MINUTES FOR PARKS & EVENTS MEETING May 18, 2009

Attending: Susan Dolan, Co Chair Ivy Wells
Cole Holocker Frank Robert, Council
Chris True, Co Chair Kim Fitzgerald, FFD Coordinator
Katy Johnson, Prospective Member
Irma Bast, Staff

The meeting was called to order by Co-chair, Susan Dolan.

The minutes were reviewed. Chris True pointed out that the motion to install a grass volleyball court was approved pending the availability of funds. The minutes were approved as corrected.

Cole reported that he had 6 teams signed up for kickball on Monday, May 25th.

Kim gave an update on the progress of Family Fun Day. Discussion followed concerning the possibility of forming a partnership with the Carroll County Special Olympics for the day so we could obtain volunteers from Kohls and Home Depot. Katy has been trying to recruit volunteers and is worried about have enough for the activities planned. It was agreed that if volunteers were provided by Special Olympics, the non-profit vendor fee would be waived and they could use items Kim has collected as raffle prizes.

Kim also discussed the contributions she has negotiated. She expressed concern over parking availability and is looking into some type of shuttle transportation. The car show will probably need police support and possibly a road closure; Irma reminded Kim to contact Chief Williams right away to make arrangements because of his staffing issues. It was decided that if

there is a karaoke contest, she could register interested parties by having tickets printed with "donation \$1.00". Drawings would then determine who would participate. Kim will provide Susan with a list of planned activities and associated costs so a final determination can be made.

The Town Council changed the price for the sale of Golf Tourney glasses to \$8.00 each or 2 for \$15.00.

Chris True resigned as Co-chair because he will now be the Council representative for Parks and Events. Frank has been voted to another position. It was agreed that Susan will remain as sole Chair.

Due to the Special Mayor & Town Council meeting, the Parks & Events meeting was adjourned.

Respectfully submitted,
Irma Bast
