PRESS RELEASE

SYKESVILLE POLICE DEPARTMENT
2009 "JUNIOR CRIME SCENE INVESTIGATION ACADEMY"

Because of the success of last year's Junior CSI Academy, the Sykesville Police Department is proud to announce its second annual class. The 4-week sessions begin Wednesday, June 3rd and conclude Wednesday, June 24th. The program is geared towards middle school-aged students residing within the town of Sykesville as well as those children living outside, with precedence given to Town residents. Children entering the 6th grade or those who completed the 8th grade are invited to apply. The hours of each class will be 4:00 pm to 6:00 pm; graduation to be held Wednesday, June 24th.

Back by popular demand, we welcome Corporal Rick Winer of the Frederick County Sheriff's Department. He will make his second appearance on Wednesday, June 10th along with a special presentation of the Mobile Crime Unit. Last year he captivated the students with his knowledge and expertise and took the students on a "talking tour" of the Mobile Crime Unit as well as fielding questions from them. I am very pleased to have Corporal Winer participate in this year's Academy.

Corporal Dave Lewis will be back to instruct this year's students on the various procedures needed to investigate crime scenes, conduct grid searches, to dusting of fingerprints.

We would like to offer the media an invitation to our opening session as well as to the graduation on Wednesday, June 24th beginning at 4:00 pm
