

We are all charmed by the yesteryear ambience of Sykesville, but how closely do we look at the details which create that warmth?

Look up and down at the businesses and public buildings in the Downtown area, filling in the address or business name of each detail you identify. Write your name, address, and phone number on the back, then turn in your entry at the Town House or Old Main Line Post Office by **March 19**. All entries with correct answers will be placed in a drawing at the **March 23** meeting of the Historic District Commission. Two observant families will receive \$25.00 gift certificates generously donated by E. W. Beck's.
